

Special Delegates Meeting

NICOTINE ANONYMOUS NEEDS YOU! PLEASE READ TODAY!

Dear fellow member of Nicotine Anonymous,

You are warmly invited to attend a workshop on **November 9th, 2024, 11:00am - 2:00pm US Eastern Time** that is open to anyone who is curious about service as a Delegate.

From 11:00-12:00 find out about:

- The many benefits to gain from being a Delegate
- How to support your group
- How to support your freedom from nicotine
- How to keep your group informed of what is happening at World Services level
- How to support the development of Nicotine Anonymous worldwide
- What happens at the annual conference and the important role of Delegates

From 12:00-2:00 participate in:

- A discussion about the proposed updates to *Nicotine Anonymous: The Book*
- Group conscience decisions about the proposed changes.

Our experience as volunteers at World Services is that service and fellowship are part of the recipe of recovery. Service has both strengthened our own personal growth and enhanced the progress of those on the same journey. We want to encourage members to experience similar opportunities with their recovery.

Tradition One: "Our common welfare should come first; personal recovery depends upon Nicotine Anonymous unity."
